PRESENTS

YOUTH CREATING CHANGE

Youth Voices in Mental Health

Join us for a special screening of San Marino High School Advanced Media Arts students' entries for the Directing Change Youth Film Contest. These powerful, student-created 60-second Public Service Announcements (PSAs) focus on suicide prevention and mental health awareness.

★ Featuring:

🎬 10 original student films

🎤 Student filmmakers and SMHS Media Arts Instructor David Basulto sharing their creative process

💬 Q&A with SMUSD Wellness Counselors:

Tonya El Hendi, LCSW & Peijen Chen, AMFT

🆓 Free & open to the public – All are welcome!

This is a unique opportunity to support student voices and creativity, learn about mental health resources, and be part of an important conversation in our community.
