# Digital Parenting in the Age of AI

**Featuring Dave Basulto, Media Arts  
Instructor, San Marino High School**

Dave Basulto is a veteran media arts educator at SMHS and the creator of iOgrapher, a mobile video platform used by creators around the world. With more than 25 years in digital content creation and a passion for educational technology, Dave brings real-world experience and classroom insight to help parents understand how today's kids are using AI — and how we can guide them safely through it.
