

PARTNERSHIP FOR AWARENESS

PRESENTS

Recognizing and Preventing Disordered Eating

Featuring Stephanie Marcy, PhD, Children's Hospital Los Angeles

Stephanie Marcy received her Ph.D. in clinical psychology from Boston University in 1998, where she received extensive training in clinical intervention and assessment with children, adolescents, and adults with mild to severe psychopathology.

Currently she works within the General Pediatrics Division and the University Center for Excellence in Developmental Disabilities (UCEDD), and is a member of the Developmental Behavioral Pediatrics faculty. Dr. Marcy provides individual and family therapy for children with a multitude of presenting clinical and developmental conditions.

**Wednesday,
May 8 at 6:00PM
on Zoom**
