PRESENTS

How to Think about ScreenTime:

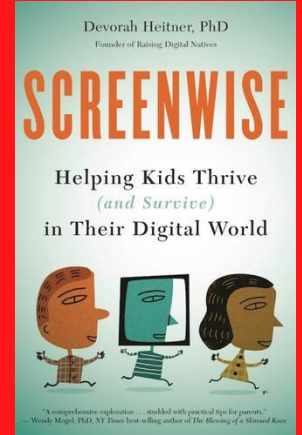

Guiding kids
to build
constructive
relationships
with technology

**Thursday
February 10
7 pm PST**

Meeting ID: 816 7960 6164

Passcode: 881993

Devorah Heitner, PhD

Author of **Screenwise**, and
founder of

Raising Digital Natives.

Her work has appeared in The
New York Times, The
Washington Post, The Wall
Street Journal, and CNN
Opinion. Her PhD is in
Media/Technology and Society
from Northwestern University.

Over the course of this pandemic, we have all become one with our devices – we are online for school, work, exercise, catching up with friends and the list goes on.

How can we help our kids and ourselves find balance while building on the skills and opportunities that our digital connections have made possible during this challenging time? How should parents think about “screen time” for both recreational and learning tech use during this unusual time.
