MOVIE SCREENING

LIKE is an IndieFlix Original documentary that explores the impact of social media on our lives. Technology is a tool. It's here to stay and social platforms are a place to connect, share and care, but what's really happening? Are we addicted? How do we stop? Where do we start? What do we need to know? By understanding the effects of technology and social media on the brain, on our lives and on our civilization, we can learn how to navigate it more safely together. 9AM screening will be followed by a Q&A with Larry Wong, a licensed Marriage and Family Therapist based in Pasadena. 7PM screening will be followed by a Q&A with Dr. Joe Dilley, local psychologist and author of *The Game is Playing Your Kid: How to Unplug and Reconnect in the Digital Age*.
